SOMERSAULTS JACK PRELUTSKY

Somersaults

By Jack Prelutsky

It's fun turning somersaults  
and bouncing on the bed.  
I walk on my hands  
And I stand on my head.

I swing like a monkey  
And I tumble and I shake,  
I stretch and I bend,  
but I never, never break.

I wiggle like a worm  
And I wriggle like an eel  
I hop like a rabbit  
And I flop like a seal.

I leap like a frog  
And I jump like a flea  
There must be rubber  
inside of me.
